“ *What a great friend has left us. I worked with Ms. Mary for many, many years at Corsica Hills and loved her so much. She was a great lady and will never forget the great times we had. She is surely in heaven lighting up the world. RIP my dear friend and you will be missed. Tim Blackiston, Corsica Hills*

“ *To Ms. Mary's Family: A wonderful lady has left us, but never forgotten. She was a friend to so many and will never forget her laugh and smile. Was always so gracious and had time to chat. Knew her through her Corsica Hills, as my mother was a private sitter there for many years and a volunteer. My dad was a patient there for five years and they would always laugh and kid each other. My God give you strength and love to get through this difficult time. She is resting in peace, but will be missed. God Bless to all and RIP dear friend. Gene and Lynda Palmatary, Centreville.*
