“ I worked with Mac at DNREC for all his years there. We shared an instrument in the laboratory and he taught me a lot about it. He was always a pleasure to talk with. As an avid Giants fan we would go back and forth about who was the better team Giants/Cowboys. His pleasant smile will be missed. My heart goes out to Gail and the family.

“ *Sadness and pleasing emotions: sadness because of the loss; pleasing because I know GOD. Our parents were so close that Mackey and I probably were 'crib mates' on many occasions, me being born three months after him. Be comforted, Family. GOD works best in our tears and sorrow. HE will provide.* Stephanie Coursey Bailey

“ Mac was always so kind to me at work (DNREC). I left DNREC in 2017 but continued to stay in touch with him. This news caught me totally offguard but I'm thankful that I found out

“ I had the pleasure of knowing Mac through work at DNREC but also through high school football. He was a very kind and honorable man. My son played and then coached football. He loved joking with Mac. His smile was infectious. My deepest condolences to Mac's family. My prayers for peace and comfort for his family and friends.
