“Michael, I am so incredibly sorry that you were taken from us way too soon. I remember you as a young and gentle soul with the most beautiful bright eyes. I am even more heartbroken that the Santucci's did not step up to the plate and lay you to rest with a proper burial. Especially, when they could've been reimbursed for the expenses due to it being a violent crime. In my opinion they are just as evil as your uncle who had murdered you. If I had the ability I WOULD'VE insured your Pop Pop's wishes were honored and you were buried/set free with the rest of the family. The only peace I can find is that you are with your mother and have been reunited with your grandparents who raised you in Heaven. 18 years of life and I'm dumbfounded on how a church going family could be so extremely cold hearted. I know your parents weren't always the best. However, I do know that you were and are loved. I am truly sorry that the laws prohibit me from being able to stop you from being buried at Potter's field. You deserve better than that. Your Pop Pop Grier had every intention on getting your Mom Mom, your Mom, and you and laying you to rest as a family. Unfortunately, he was recovering in the hospital and he passed away prior to getting all the paperwork completed. Just know he didn't want this for you. I'm thankful God spared him from even knowing this information because his heart wouldn't have been able to handle this news. Rest in Peace my sweet boy.  
Love Always,  
Shanon

“ Michael you were one of the nicest people I ever had the pleasure of meeting. You didn't bother anyone. It's such a shame that you were taken from this world so soon. Rest In Peace. To the Santucci Family I'm so sorry for your loss. God be with us all.
