MICHAEL'S JOURNEY...

Michael James Wilson gained his wings on Sunday, October 29, 2023 at Peak Health Care, "The Pines", in Easton, Maryland. He was born on February 3, 1961 in Baltimore, Maryland to the late James William Wilson and Paralee Lillian Void Wilson.

Michael's journey began in Baltimore, Maryland then to Easton, Maryland where he moved with his Aunt Undean Smith. He received his education at Easton High School. With a strong sense of duty, he joined the United States Army from 1981-1984, serving his country with honor and received an honorable discharge. After his military service, Michael brought his dedication and work ethic to Easton Memorial Hospital, where he contributed his skills to the environmental service department. His dedication to his work and his country earned him the respect and admiration of those whom he served alongside.

Throughout his life, Michael wore many hats, working various jobs including landscaping. He was a man of many interests and he had a passion for discussing politics and staying informed by reading the newspaper. Music held a special place in his heart and he could often be found enjoying his favorite tunes. Sports, too, played a significant role in Michael's life, as he had a love

for the game of basketball and actively participated during his high school years.

Michael was cherished by many and will be remembered as an overall great guy. His warm and friendly nature drew people to him, and his authenticity and straightforwardness were qualities that his friends and family valued deeply. He had a keen sense for identifying genuine individuals and did not hesitate to distance himself from those he considered to be fake.

Michael's passing leaves a void in the hearts of those who knew and loved him. His memory will live on in the stories and fond recollections shared by friends and family. He is survived by: two sisters, Pamela Wilson of Myrtle Beach, South Carolina and Patricia Harris Wilson (Melvin) of Anderson, South Carolina; one aunt, Theresa Frasier of Summerville, South Carolina and two nieces, Lisa M. Williams (Eric) of Greenville, South Carolina and Dawn K. Allen of Annapolis, Maryland; one nephew, Eric S. Bethea of South Carolina; one great niece, Erin Williams and one great nephew, Jonathan Williams, both of South Carolina; one cousin, Iris Queen of Baltimore, Maryland; two cousins, Roberta and Bridget Smith, with whom he spent most of his life and three special cousins, Devan (Zineb) Joseph and Javar, all of Easton, Maryland. Michael also leaves to cherish his memory, a hangout buddy who was like a mother, Betty Hayward, and three close friends who were like brothers, Ivan and Marvin of Easton and James Moaney of Atlanta, Georgia, and a host of cousins and friends.

Michael will be remembered for his unwavering dedication to his country, his strong work ethic, and his genuine nature. May he rest in peace and may his legacy continue to inspire us all to be true to ourselves and cherish the simple joys of life.
