“ I am so sorry to hear of the loss of your loved one. Please take comfort in the scriptures at this time. John 5:28&29 tells us of the resurrection hope. You have a chance to see your loved one again. Revelations 21:3&4 tells us that there is going to be a time when death, sickness and pain will be removed forever. We can take comfort in these scriptures because Almighty God promised that He will do this and God cannot tell a lie. So please accept my deepest sympathy and may your family be strengthened and blessed in your time of grief.
