“ *To my Great Uncle, Deacon Milton Leon Dixon, I'm going to miss you so much. I remember when I was in my early 20's, all the Summers I would take the Greyhound from Baltimore so that I could come and visit you, Charlene and Quita. You would pick me up from Trailways when it was located on 350 Cypress Street. I loved spending time with y'all and being able to escape the city for a few days! I will never forget going to church on Sunday mornings with you and your family to Weeping Mary Baptist Church. On the day when I had to go back home to Baltimore, you would take me to lunch and we would sit, eat and talk and then we would head back over to the bus station. But right before I got out of the car, you would give me \$20! I love you, and I'm going to miss you!*
Your Great Niece, Stacey

May the family have comfort with the fond memories of times spent together. It is our prayer that God, with his infinite grace and mercy, will surround you with love and peace.

We have fond memories of meeting from our first year of school; he was our advisor and leader. Through the years, we stayed connected to see if we were okay, often talking about the goodness of God.

Milton will be greatly missed by all who knew him. May the family know that he is resting peacefully.

"TO GOD BE THE GLORY!"
