“ My deepest heartfelt love to the Morris family. Our friendship goes a long way back, our families have been connected for years. Ms Mamie and I have enjoyed so many good times and of course Naomi and Mitchell have always opened their home to me. I truly will miss him. I share in your grief, but know that God will send His Comforter to ease your pain, for in His word, He declares that weeping may endure for a night, but Joy comes in the morning. Take your rest Mitchell, you deserve it. ❤️ love to the entire family.

“ Me and Mitchell have a good friendship and
we always went back and forth with each
other but the day my son was killed Mitchell
and Naomi opened their house and hearts to
me and my family and I will forever be
grateful.. I remember Mitchell saying to me that day I know I usually
mess with you but not today and he gave me a hug, RIP my friend.
To the family I extend my heartfelt condolences. May God be your
Comforter

My condolence to you Miss, Mamie and family. Thank you for allowing me to be a part of your family. Mitchell and I go a long way back. Mitch and I share many childhood memories. Living so close, myself growing up on Plover Road and Mitchell on Swan Road made it very hard not to be at your house nearly every day. I can hear you saying "Bodal "go home not today. It was the smell of your freshly baked crackling cornbread. Lol! I couldn't resist the taste. Sorrow may endure for a night, but joy, come in the morning. May God bless you and your family. Mitchell, you will be missed. My friend brother in Christ rest in peace.
