

## Muriel Berbena Maxwell

March 10, 1940 - April 2, 2021

Muriel Berbena Maxwell, the daughter of the late Fredrick Boxill and Dinah Philips, was born in St. Michaels Parish Barbados, British West Indies on March 10, 1940. She peacefully departed this life on Friday April 2, 2021 (Good Friday) while a patient at Atlantic General Hospital in Berlin, Maryland.

Muriel Maxwell received a formal education in the Catholic Schools of Barbados. She was very active in the church and on occasion she taught Bible school classes and was a member of the youth choirs. Later on, Muriel met the love of her life, the late Reverend Dr. Ashley Maxwell. They were united in holy matrimony on May 18, 1961 and moved to the United States in the early seventies. Together they shared a marriage of mutual love, respect, support and devotion and ministered to many families throughout the years. Muriel loved to share stories with her family about growing up in Barbados and often reminisced about her love of the ocean and sunny skies.

She possessed a compassionate, kind spirit and was soft spoken and gentle. Muriel was a devoted wife, mother, grandmother and sister who loved her family dearly. She loved music, singing and playing the piano and guitar. She will be remembered for her sense of humor and beautiful smile.

Muriel leaves to cherish many memories: her children, John of Berlin, Maryland, Grace of Georgetown, Delaware, Deborah of Pittsville, Maryland

and Esther of Berlin, Maryland; four grandchildren, Erica Jacobs, Erin Maxwell, Kyle Maxwell and Mia Gallo; her sisters and brothers, Sheila Bentham, Lydia, Deborah, Mary, John and Chadwick as well as other relatives and extended family all of Barbados.

In addition to her husband, she was preceded in death by one daughter Dale.
