“ *When Nick and I first met, we were at odds butting heads, but as I got to know him, we became brothers battling the same demons. Nick was a diamond in the rough, and I will miss him not being among us.

“ *My heart sank when I heard the news. Hadn't been that long since we last spoke and I told you how happy I was for you getting on track. Ever since we first spoke you tried to act like a hard ass but you never fooled me. I saw right past the bs straight into that soft heart. That heart of gold. 🧡 You will be missed so much Nick. So very much.*
