“ *Memories. Running around with your two sons was some of the best memories I will carry with me as I go through my life journey. The days of living over in Burwood allowed myself and your two sons to have good times going in to adulthood. Thank you for looking out for us.*

“ I know you are resting for God knows you best
Certain all will miss you we have all been truly blessed
Like when the sun dose rise lightning the sky
Your smile will be missed and the glimmer in your eyes
When you read the scriptures with so much love and zest
And ponder as we study the word your questions are the best
And every Sunday morning you are there to open up the doors
To Beacon Lighthouse guiding the lost to shore
Well it looks like you have made it rowing all the way
Now rest in the Lord for that great great morning you will hear Him say
Welcome Deacon Norman Harris for your service you are on the Kings Highway
