“ *My thoughts are with the Family. Death robs us of our loved ones, but the Bible assures us: " He is healing the broken hearted ones and is binding up their painful spots."(Ps147:3)*

“ I would like to offer my sincere condolences for your loss. In such difficult time, many families appreciate the comfort offered by the Bible of the time when no one will lose a loved one in death and we will be able to enjoy life again with our loved one. (Rev. 21:4). I hope these thoughts comfort your family and friends.

“ To the Family:
Words cannot express the hurt and pain when we lose someone in death. Willie, I know you're hurting right now a lot. I know how much you love your children. Ann and Willie, this is one of the worse fears of everyone to lose a child or a grandchild. My heart goes out to you all, but especially to Ny'Kira's mother. Part of her heart has been taken away, this has got to be the greatest hurt of all, to lose a child. Please take comfort in the bible during your time of grief. At Acts 24:15, it tells us that the dead will be resurrected. You will be able to see her again, also at Revelation 21:4 it tells us that soon death, tears, mourning and pain will be done away with. Please look forward to that time. Until then, may our entire family draw close together and help each other the best we can. Now is the time to be a strong family. May the God of all comfort grant the entire family peace.
