“ *Hey Mollock! Just wanted to check in and see if you are good to carpool with those that have passed before you. I certainly enjoyed the times we spent being together on and off the road. Let me know if anything has changed on the Western stories and people you may encounter. Cheers to the times and lives of our friendship, families, and prosperity.*

“ *Olis Molock was my classmate at Vienna Elementary School and both my classmate and homeroom mate at Mace’s Lane High School in Cambridge. We spent many fun days together during those twelve years. He was always kind and always supportive. Though I have not seen him since high school graduation in 1964, he remains forever in my heart as cherished classmate and friend. Rest in peace, Olis, and may God welcome you into His Kingdom!*
