“ We miss you, Oliver.

I met Donald and Oliver close to 40 years ago, before they moved to Durham.

It was never "just" Donald, or "just" Oliver. But always Donald and Oliver.

When I met my husband 23 years ago, they were the first people I introduced him to....to get their "approval." :-)

We know that the last two years since Donald's passing have been hard on Oliver. We hope that he has now found peace and in some realm is reunited with Donald.
