“ So very sorry to hear about this. I met Pat at Toroid in 1991 when I moved to Salisbury MD with the company. I worked with her until she retired from Toroid. She will be missed.

“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief, by meditating on Gods promises found in the Bible, you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God \"will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces.\"

“ Many millions of people who are dead in the grave will return to life on earth like Patricia. Even some who did not know God and who practiced bad things will be resurrected. Resurrected ones will be able to learn the truth about God and to exercise faith in Jesus by obeying him. Those who return to life and do good things will be able to enjoy life forever on earth.
