I'm still in shock about the loss of Ms. Roper. I loved her so much. She was a great friend, supervisor and neighbor. I hope we connect and share special memories. Please reach out if I can be of service during this trying time and any other time. I would like us to stay in touch.

“ Dear Roper and Stewart Family,

Today, we celebrate the homecoming of one of God's most beautiful creations.

And so together,we remember, honor, and commemorate all the ways your

loved one enriched our lives. If I've learned anything down through the years,

it's that nothing beautiful in this world is ever really lost. Those we cherish will

always live on in memory. She will truly be missed.

“ Patricia Ann Stewart Roper was a very dear Friend and Cousin. We were in school together and graduated in the same class at Somerset Jr Senior High School. After high school she along with many others went north to college. I decided to go south. I will always remember and cherish the wonderful memories we shared and thank God for the life she lived. To God we give all the Glory, until we meet again.
