“ I am so sadden to hearing about Pat's passing. The last I heard from her was when she first became sick. I've been trying to reach her for many weeks and just now thought to check here...hoping I wouldn't find anything. To her 3 daughters and all her grandbabies you have my deepest sympathies. Pat was such a sweet woman and I am glad to have had the opportunity to know her, may she rest in eternal peace!

“ To Pat's family - My heart is saddened with Pat's passing. I worked with Pat for many years. She was always such a nice and pleasant person with a funny wit about her. She spoke often about her family, especially her precious grandchildren. My thoughts and prayers go out to you during this time. I pray for you blessings, comfort and strength. Pat will be missed.
