“ My thoughts and prayers go out to Paul's family. He was one of the nicest and kindest men that God gave me the privilege to meet. He was one of my customers at the Bank of Fruitland many years ago and he was always a pleasure to wait on. He always had a smile on his face and a pleasant word. We talked many times about his finds and eBay sales. I would run into him at many of the local thrift stores where he loved going to find treasures that he could resell or give to a loved one. Even though years had past since I had seen him, he knew who I was and we'd pick up on the same conversations we'd had at the B of F. He spoke highly of his family whom you knew were his pride and joy. Mr. Paul, you were a great man and you will be sorely missed! May God carry each family member and friend thru this very sad time. Mr. Paul, I know you will find many treasures in Heaven.
