“ My love, prayers, and condolence goes out to the Wilkerson and Rochester families during this difficult time. Aunt Mae you will forever be in my heart and I will always remember how funny you were and telling us some funny stories, I will never forget the time the spider crawling around in church and it took about six people to kill it and I think you were one of the ones that missed it, I still til this day laugh to myself. RIP aunt Mae, Love Shelly

“ There are no words that can truly express my my sorrow for the loss your family has experienced. Please be assured there are ones who truly care about what you are going through. Soon we will be asking, death where is your sting? We will ask that question because God has promised: "As the last enemy death is to be brought to nothing." 1 Cor. 15:26 May just knowing this bring you comfort.
