“ *She was the loving and caring person we talked almost every day sometimes 2 or 3 times we met about 19 years ago we were house keepers on Chincoteague we would head over to rhe Island early to catch yard sales she would give me advice and tell me like it was she was my second the morning she died she called but I missed her call I just hope she knows how much I loved her and still do fly high and tell my Dad and JR HI until we meet again*
