

Quince C Lankford

April 30, 1962 - December 24, 2022

HONORING QUINCE'S LIFE

Quince C. Lankford was born on April 30, 1962 to the late Ethel May Evans-Lankford and Herman Miller. He departed this life peacefully at home on Saturday, December 24, 2022.

Quince attended North Accomack Elementary then graduated from Atlantic High School. He also attended Wor-Wic and Sussex Community Colleges. He was an electrical engineer by trade and was a long-time employee at T.C. Electric Company.

Quince loved children, and would take time out for them anywhere whether he was in service, at the mall, restaurants, etc. He was very outspoken, so if you asked him a question, expect him to tell you his truth, no holds barred. Quince loved his family and enjoyed every moment he spent with them. He would give and help anyone who needed his aid, even if he was tired. He was a hard worker, strong willed, and he was not a quitter.

He was not a man to say, "I love you", but he showed his love. Quince was knowledgeable. His heart belonged to his grandsons, Dontray and Zion Fuller. There was nothing in this world that he would not do for his boys. And they loved their "Poppy" very much. He loved family life. And any town he moved

to, he would join a church and find work. He was a hard worker from childhood to adulthood. He knew how to make a way.

He was preceded in his life by his father Herman Miller and mother Ethel Evans-Lankford and sister Janice Lankford.

He leaves to mourn: his wife, Sabrina Lankford; one son, Ryan Lankford and stepchildren, Depre Maycock, Kevin Chandler and Susan Chandler. He also leaves behind: his sisters, Cleopatra Lankford Sherrye Copes, Sylvia Wallop (Thomas), and Veronica Miller; brothers, Shian Lankford, Connell Lankford (Renee), Arnold Lankford (Theresa), Carson Godwin, Herman Miller, Anthony Miller (Tia), Kenny Miller, and Troy Miller. He also leaves behind a host of nieces, nephews, and family members who loved him dearly.

DD

“ I worked with Quince in 2009 & 2010 at JW Tieder in Onancock VA. at the waste water plant. He was an electrician and an asset to our crew. Quince had a very special and pleasant way he carried himself. We had a couple of cookouts in which he showed off as Chef Quince!!!! I remember he wore a toboggan with the name of Jesus across the front. I do believe that Quince is now in the presence of Jesus. Glad to have had the opportunity of knowing and working with you.
