“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief, by meditating on Gods promises found in the Bible, you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."

“ Ray, I met you a thousand years ago in Berlin Tempelhof at work. What impressed me the most at that time, was your ability to have crazy fun, yet at the same time you were very professional, taking your work very serious, never cutting any corners or making excuses not to do something you were asked to do. Now you went ahead of us - you escaped the confines of life and you are on a new path. You will never be "gone" since we all will keep you in our hearts. Auf Wiedersehen, Ray!
