

Renee Michele Hampton

November 2, 1967 - December 23, 2021

Renee's Journey...

Renee Michele Hampton, at the age of fifty-four (54), died unexpectedly of a brain infection on December 23, 2021 at Adventist White Oaks Hospital in Silver Spring, Maryland. She was born on November 2, 1967, in Salisbury, Maryland, the middle daughter of Donald L. Hampton and Vandora Y. E. (Gregory) Hampton.

Renee graduated from Wicomico Senior High (Wi-Hi), Class of 1985. Following graduation, Renee briefly attended Howard University in Washington, DC. Renee eventually decided to go back to college to obtain her degree. Subsequently, she later attended the University of Maryland University College and received her Bachelors in 2008. She went on to have various jobs at Tracks Nightclub, Trinity College in Washington, DC and Highland House in Chevy Chase, Maryland for approximately twenty (20) years. She enjoyed working at Highland House with a few of the staff and residents who made her shift go by faster. Renee met Beverly Johnson in August 2005. Happily, they were officially married on March 28, 2013.

Renee absolutely loved her dog McGuyver. Renee also loved word and board games. In fact, she organized Games Tournaments for the family! Renee was an avid reader and loved to travel with her family. She enjoyed hanging out

with her family for holidays, impromptu get togethers and eating out. She also enjoyed going to various casinos in different states. Renee loved football, especially the Houston Texans.

Surviving to cherish precious memories, in addition to her wife, Beverly (Johnson)-Hampton, are: her daughter (of her heart), Jemia Wright; her adoptive son, Trent Hampton; her mother, Vandora Y. E. Hampton; her father, Donald L. Hampton; sisters, Yvonne Griffin (Dwayne), Doncella "Donnie" Hampton, Carla Hampton and Donna Lisa Hampton; godchildren; numerous nieces and nephews and a large extended family.

Lovingly Submitted,
The Family
