“ For the past 20+ years anytime I saw Mrs. Cooper she we greet me by saying "you the biggest peanut I ever seen"! I loved it! Mrs. Cooper was a special lady, full of life and energy that I can only hope duplicate in my lifetime. A pillar in the community. A true leader in the village that raised a lot of us. If times were different we could have a celebration of her life with thousands of people. She truly touched the entire community. Mrs. Cooper's home was always open to us and she walked around town keeping us all on our toes! I am grateful to have had the privilege of her presence in my life! I want to send my deepest condolences to the family. She will be truly missed!

“ She ran New street when every young person thought they were doing something. She was a Grandma to all of us. She would make us go home every night letting us know "her house wasn't no juke joint". I loved that lady and although she lived a long meaningful life life she will be greatly missed.
