“ My condolences on the loss of your dear loved one Richard Hudson. I long for the days our Creator speaks of at Isaiah 33: 24, " And no resident will say: I am sick." He holds out so many promises for a better future. His reassurances at Acts 24:15 and Revelation 21:3,4 , that we will see our deceased ones again but under better conditions, where the issues that they faced such as sickness and death will have been eliminated. To welcome them back healthy and whole is a heart warming prospect for us all. What a joyous time that will be as we are given the opportunity to touch, hug and hold these resurrected ones. I hope these words from our Heavenly Father will help you through the difficult days ahead. I am sorry for your loss.

“ We will surely miss Richard cutting up with everyone at the dialysis center in Seaford. Richard had a special way of getting to know everyone at the center and making sure you enjoyed your treatment time. Family always remember the great times you shared as a family, keep your faith in GOD and this too shall pass. GOD bless all of you!
