JK

“ *Hawk loved listening to music. He had stories to tell. He wanted nothing more than to feel RELEVANT! He told everyone who would listen, about his favorite GROUPS , AND SONGS AND SINGERS. HE felt a sense of belonging and being cared for when he felt like someone was listening to him and taking him seriously. The HEARTLAND HOSPICE Staff would do everything in our power to increase his feelings of being taken SERIOUSLY. AND WE FELT LIKE OUR PAYING ATTENTION TO HIM MADE THE SAD FACTS OF HIS POOR HEALTH seem less severe! I would have loved to have gotten to know more of his story.*
