I can't believe this year on November 19th you will be gone three years. Not a day goes by that I don't miss you dad. I am so sorry I was a difficult child and I am sorry for what I put you and mom through with my surgery at 6 months. But I am proud of you and I am proud to call you my dad. Thank you for being a wonderful father to me. Now you have been back with grandma and the family I hope you are pain free, happy and enjoying life better than ever. It's getting worse down here but hopefully you and the family are looking down on us and are protecting us everyday. I miss you and love you dad until we meet again you are and will remain in my heart ❤️ forever and always. Love your pain in the but daughter Carolyn

“ Hi Dad, I know you are in a better place. You are with our heavenly father, your mom and the rest of your family. I want you to know that I am so proud of you. You were an amazing husband, father, grandfather (pop-pop) and great grandfather (Jaja). You are so loved and will be greatly missed. I will hold you in my heart forever and carry our memories and your legacy with me forever. I love you so much.....Rest in Peace.....Until we meet again.
