“ To my God Father,
I don't even know where to begin. There are so many things that I would like to say, but can't find the right words to say. I will forever cherish ALL of my childhood memories with you, my god mom, Tay, and JR. I remember coming to your house almost every weekend, and being spoiled. I think being with you guys all the time is where my spoiled-ness was created. Although years have gone by, and we've lost touch, you'll forever live in my heart. Thank you for loving me, treating me as one of your own, and giving me some of the best childhood memories. I love you, Uncle Ronnie.

Love,
Ashton or as you called me "Woo".
