“ *My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief by meditating on Gods promises found in the Bible you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."*

“ Please accept my deepest sympathy in the loss of your loved one. Death is an enemy to us all, Almighty God is going to remove death, sickness and pain in the near future. The bible also promises that the dead will be resurrected at Acts 24:15. Please look forward to that time. Until then may your entire family be comforted and blessed.
