“ Earth has no sorrow that heaven can not heal! Mother Ashley was a "sweet", lovely, and beautiful person! Mother Ashley was greatly loved, and she will be greatly missed!! I had the blessing of seeing, and talking with Mother Ashley in February while she was in Kent General Hospital, I visited her, she was displaying that beautiful smile, and was in good spirits even though she was not feeling good. Her smile could light up a room. Blessed Are The Dead Who Die In The Lord! Family, you lost a "jewel" but god will give you strength. Our prayers are with the family. God Bless You!

“ Who can find a more virtuous woman? For her price is far above rubies. Yes you are that Virtuous Woman, Mom Rita. I thank God that you opened up your arms and allowed me and my sister into your family. You showed me what real Christian love is all about. You set an example for the world to see and I know that God is saying this is my daughter whom I am well pleased. You raised Godly Men and they rise up and call you Blessed. I will love you forever. Our lost is your eternal gain. To my brothers be encourages, cause God will take care of you.

Love you from your sister Cheryl
