RJ

“ Roy Shelton was a man who truly loved the Lord. He loved listening to gospel music and singing the hymns of the church. He joined Mount Olive A.M.E. Church in Salisbury, Md. under the leadership my leadership.. He faithfully attended Church School and Sunday Morning Worship Services. He also attended other church activities when he could and loved traveling with me to visit other churches in the surrounding communities. He was a prayer warrior and would always knee at the altar and pray as soon as he entered the sanctuary. He had a kind, loving, compassionate heart for others. I will forever cherish the precious memories of the times we shared. He was faithful and supported my ministry until I retired. After my retirement he continued to travel with me to worship services. All Roy had to do is say, \u201cPick me up\u201d and I would thre to take him with me. To know Roy was to love him. All my family and friends became friends with hi. Roy fought the good fight of faith. His living was not in vain. If he could help somebody he would. This was just the beginning of his new life. May he rest peacefully in the arms of Jesus. My thoughts and prayers are with the family. Hold on to God\u2019s unchanging hands. We shall all meet again one day.
