“ Please accept my deepest sympathy in the loss of your loved one. Death is an enemy to mankind, but Almighty God is going to remove death, sickness and pain in the near future. (Revelation 21:3&4) He also gives us hope of seeing our loved ones again during the resurrection. (John 5:28&29) So please take comfort in the bible during your time of grief and look forward to the time when "death will be no more". Until then, may your entire family be strengthened and blessed.
