“ Time has passed and we still miss you like crazy. Abby is so Big and kennya nd Roni have matured beyond belief. Duane and I are looking forward to our 1 year Anniversay this Summer. So wish you could have been there but we know you were in the Spirit watching over us and giving us your blessing. We are so looking forward to the upcoming Nuptials of Bryant and Markita. You would love her just as we all do! Missing you your daughter n law Isabella.
