“ Remembering my beloved sister Ruth Violet Kuehnel Kreyling. She was born June 8, 1924, daughter of Hermine and John Kuehnel, and passed away on December 16, 2020 and is now with our Lord Jesus. Ruth was blessed with a long life to the age of 96. These last years were sad. Living with memory loss, being separated from husband Ed, quarantined in her final days because of the pandemic. If we sit for a minute, we can remember before all this to a lifetime of memories and experiences with Ruth. She will always be in my heart. She is a special sister to me, always helping everyone in her life and true to her faith and church community. Thank you Ruth for being my sister. Now you are free of pain and are with your husband and your entire family who have welcomed you back. My prayers go out to your sons and their families and to your friends across your lifetime. You are with us forever in memory. We were orphaned at a young age, and then went to live with our grandfather on Lake Hopatcong, and eventually settled with our Aunt and Uncle in Warren, NJ. Life had its struggles but we always had each other. We lived our childhoods in the woods and knew the berry patches, shortcuts and paths to everywhere. We built fun houses out of birch branches and walked miles to have fun with our friends and neighbors. We slept in the same bed as we grew up and even in the first apartment on our own in Plainfield. Years later, after we were married, I remember us phoning each other everyday, you living in Somerville and me in Hillsborough. We were not only sisters, we were best friends.
