“ I love you Aunt Shirley. I have nothing be fond memories of your kindness towards me and your instructive behaviour for me to emulate regarding mannerisms. I beg Allah to shower you with His compassion, and grant you paradise in the next world. We all will meet Allah on the day of judgement. May Allah provide you with peace in your grave and you forgive you any sins you have committed. Salute my ancestors with the greatest salutation for me. As salaam alaykum dear one . I will see you soon insha Allah

“ Auntie you are the first entrepreneur that I ever met. Your hustle showed me that anything is possible with having a family. You were there for me at my time of need in providing care for my daughter Koko while I attended school . I am forever grateful. I am sure your Mom, Aunt Julia and Grandma Mozel met you at the gates on your return home. My condolences goes out to the Boone family. I love you guys.
