

Sandra M. Jones

September 26, 1966 - July 12, 2021

On Monday July 12, 2021, Sandra M. Jones, loving wife of Gregory Pettyjohn, mother of Jalissa and Latericka Jones, passed away at the tender age of 54. Sandra was born September 26, 1966, in Lewes, Delaware, to her mother, Reesena and her late father, Samuel Jones.

Sandra graduated from Indian River High School, class of 1984, and continued her education and basketball career at Delaware State University. She worked as a Certified Nursing Assistant (CNA) for over 21 years. Her final place of employment was at Chimes, in Millsboro, Delaware.

Sandra was very passionate about her family and loved each one of them wholeheartedly. Sandra never missed a family gathering, where she was the life of the party, singing and dancing in the middle of the floor. She was well known for her loud mouth, big smile and heart made of gold. Her life's motto was "Live and let live".

Sandra, lovingly known as Sank, was preceded in death by her father, paternal and maternal grandparents, three sisters and three brothers.

Sandra is survived by her husband, Gregory Pettyjohn; daughters, Jalissa and Latericka Jones; brothers, Bryan and Durren Jones (Tina); sister, Carolyn Jones-Bradley (Brian); the strongest, most phenomenal mother we know,

Reesena Jones; grandchildren whom she adored, NaRiaha, NaKayla and Jada; and a host of aunts, uncles, cousins, nieces and nephews, along with a few very close friends.

“ *Jalissa and Laterika, This is Mrs. Booth from way back in high school. (Jake, Margie, Beth, Jill and Butch's Mom) I saw on Jill's facebook that your Mom passed. I am so sorry for your loss. I lost my Mom 3 years ago, it still isn't easy. A day doesn't go by where I don't talk to her. I know that she is still with me. Your Mom raised two amazing women. Stay strong. You are both in my thoughts and prayers. Mrs. Booth*

“ To Cousin Jalissa and Latericka I send my sincere condolences 🌸 on the loss of your mother. For I know the pain all too well as I was in your shoes last year with the lost of my mommy. I remember all the sweet kind words everyone gave, the prayers, food, money, etc. But all I wanted was my mommy back. They say time heals all hurt well I'm still waiting on that healing ❤️👉. With that being said don't let no one tell you how long to grieve or when to grieve I lost close relationships with family over the course of the year because of this because people don't realize it's a different kind of hurt when you have to bury your mommy. I've always been a mama's girl so yeah it hit harder. My advice stick close to your sister as I stuck close to mine's along with close friends and Aunts because it's needed. Love ❤️ you family.
