“ Our hearts are heavy in Augusta, Georgia for the loss of my cousin Sarah (Eggie) Morris, but we also rejoice that God allowed one of his angels to live with us for 66 years. Eggie I love you for all the beautiful memories and I especially thank you for being so kind over the years for placing the flowers on my dad and your cousin, Manford Harris's grave each year for his birthday from my family here in Georgia. You were always a joy to be around when I was growing up in Dover and I'll never forget the dozens of cookies you would bake for our family during the Christmas Holidays. May the peace of God keep your sons and all of our family during our time of sorrow. I love you and the family dearly. Your Cousin Connie Harris and family in Georgia
