“ *Wow nephew... there are soooo many memories. I miss you so much. Sometimes I don't like listening to Lauryn Hill but in another moment I'm jamming to it thinking about how you and Marc know every song of hers. And BARNEYYYY 😂 EVERY child I have you were in their lives. I still didn't want to believe you of all people is really gone but there are no regrets. We had great times. I laugh thinking about when you have Joshua soda because he was crying and you couldn't find his bottle or should I say you didn't want to find it 😂 I love you!!!*

“ Tomorrow is THE day..

Wow, my cousin my cousin. FIRST cousin. My mom's sisters son.. I loved you, I love you. I can not believe this has happened. 😞 My heart hurts. There's is not a second I haven't thought about you since your passing. This is so wrong. You are the second oldest out of us all, growing up nobody could tell you that you weren't our parent. You always held that role down. Low key over protective and EXTRA!!!!!! Even when I use to try to be grown and hot, you use to say “unh unh Jakala I'm telling aunt Nicole”. I use to get so mad but it wouldn't last long cause you would die out laughing after I begged and begged you not to tell on me. Remember we use to stay up on the phone til 3am and then when you were ready to get off I would be so mad?! Remember that time you stomped my head in on the stairs?! How about that time Marc Marc took that dollar? (LOL) I could go on and on and on with our memories!!!! ShawnShawn this is sooo crazy 💔 I can hear you now saying “Jakala go onnnnnn” dragging your words how you usually do.

I love you big head ❤️💎💙💚💛💜
