“ *Shelagh you are going to truly be missed. When I came to work at the Y, that's when I was informed what had happen. I'm going to miss your jokes and bubbly attitude. You brighten my day every time you came in for your day and to give me good news. Love you Shelagh*

“ *Such a beautiful woman with a great heart. I had the pleasure of meeting and assisting her when working for a particular company. She was truly a delight and left an imprint on my heart and I hone I was able to do the same for her. My deepest sympathy, Mrs. Kaneisha Russ*
