“ To Norah
Words cannot express the sadness that I feel at not being able to be here with you today. Norah you have been the epitomy of what a daughter is. Your dedication and care to and for your dad was unmatched! For many years you called at 10 every night to check on your dad, taking the time to know each staff member who cared for him and holding them to the highest standards. I know your dad was proud to call you daughter! Please know that I grieve with you and I send lots of love to you, Jonathan, "mommy" and the boys today and always.
