“ I am sending my sincere condolences to Shirley's family. Shirley and I were classmates from elementary and grade school at Banneker in Milford through high school at Henry in Dover where we were members of the Class of 1965. Shirley always had a warm and friendly smile and personality and we will always remember her. May God bless and comfort you all and thanks for sharing Shirley with the world.

“ I will always remember the long talks, all the advice, the nightly phone calls. You always gave the best advice, even when we had no idea we were getting it. You never got into our business and never passed judgment on any of the decisions we made. I love you so much Mom, and by heart will forever be broken. I will never forget your no-nonsense way and you're effortless duty of being my mommy and mom. I love you and I will never forget US.

“ I will always remember my mom as a no nonsense person. She loved her family unconditionally. My mom would never get in your business but had a way of sneaking some good advice to you. My heart is heavy. I love you Mom and I will never stop thinking of you. Your first born Boochie!!!
