“ I am truly sorry about your loss it's hard when we lose a loved one. However, I wanted to let you know that we can be comforted by a future hope. Soon there will be no more pain or sorrow. All the former things have passed away. (Rev 21:3,4)

“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief, by meditating on Gods promises found in the Bible, you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces.
