“ Please accept my condolences over the loss of your loved one. It's at times like this that we cannot help but realize how fragile life can be. During your grief please find comfort and hope in God's Word, the Bible (2 Corinthians 1:3, 4). Be touched at heart by the wonderful promise from Christ Jesus, when he said that he would bring back to life all those who have died (John 5:28, 29)! God also promises that at that time He will also rid mankind of all the pain, suffering, and death we have experienced for thousands of years (Revelation 21:3-5)! Envision, as the Bible describes it, that one day mankind will enjoy life in perfection on a beautiful paradise earth, just as Adam and Eve had originally seen it in the Garden of Eden. The Bible is all about seeing what God's purpose for mankind has always been (Psalm 37:10, 11, 29). Please look these scriptures up in your Bible and be comforted by the sure hope ahead (2 Timothy 3:16, 17)! Our thoughts and prayers are with all of you.
