“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief, by meditating on Gods promises found in the Bible, you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."

“ I am so sorry for your loss. Dr. Outland took wonderful care of our pets for years. He was so compassionate when I had to put Cedar to sleep, he resolved Cypress renal disease and gave her 5 more years. He held my daughter's hamster in one hand and sutured its belly with the other when the hamster's brother ripped him open. I have so many memories of his care. I moved away and have had several vets since, but there is no one like him.

“ So sorry Mrs Outland. We were colleagues for 30 years, Booker was a brilliant man and great veterinarian. I fondly remember our various discussions during our monthly trips to DC for continuing education. He was very proud of his daughters and dedicated to his son. Sorry that I'm out of town and unable to attend his memorial. Dr Wade

“ Dear Mrs. Outland, I am so sorry to hear of the passing of Dr. Outland. He was our vet for many years and took care of our cats with exceptional care. We also adopted several Tonkinese from him. We were sad when he retired, we felt no one could care for them the way he did.
My thoughts and prayers are with you.
