“ *To the Gaskins family--God will heel your pain and continue to think about the joy she brought you. I have know Teresa for many years through my cousin Patricia Jackson (Horne) for many years and had not seen her for a while until she visited my church for Jane Rowe's Father funeral. Aaron and family; my heart and prayers go out to you. Theresa always had a good heart and she spoke with such pride about Aaron and his Navy time. As she dons her wings I am sure she will be watching over all of us and if we listen closely she will help guide us onto our own righteous paths in life.

“ *My condolences to Teresa’s family and friends. Teresa started with C&P Telephone at 629 Constitution Avenue 6 months after me and later roomed with one of our coworkers and my classmate Joan. Attending her first wedding was the reason I faced my fear and drove across the Chesapeake Bay Bridge for the first time. She will be surely missed and was truly loved. Your coworker and friend
