“ I sent this message out on Nov 26,2019... Not knowing how this particular food for thought would be so much more relevant to me before my day was over...It's been 365 days or 8,760 hours since I lost my best friend my mom... I've found myself at times numb in disbelief to smiling and laughing remembering something... Throughout it all I've found myself leaning on God to comfort and help me through the times I just don't comprehend... so the food for thought holds true so much more today then it did for me a year ago..... Food for Thought: Regardless of what we are going through the good,the bad, the ugly... We should be thankful and giving thanks to God...in everything give thanks; for this is the will of God in Christ Jesus for you. 1 Thessalonians 5:18 NKJV
