

Therone Edward Brue Jr.

July 7, 1988 - August 10, 2021

Therone Edward Brue, Jr., was born in San Antonio, Texas, on July 7, 1988. He departed this life on August 10, 2021.

Therone's mother, Veronica Phillips, was in the military and was stationed in Texas. Therone's time in Texas was brief due to the family relocating to New York, where they were originally from. His formative years were spent in New York, and in his teens, he relocated to Delaware. He went to several different high schools with Middletown High School being his last stop. He was on the basketball team. Therone's charismatic energy enabled him to meet many friends, some of which he considered family, and held them close for a lifetime.

While working, he met his soon to be wife and together they were blessed with three children. Therone's laugh was infectious. He had a wonderful bond with his family and his siblings. He was a loving father, brother and son. He was also very determined, which allowed him to achieve what he wanted in life. He earned his diploma, and he became a licensed mechanic and forklift operator. He was also an avid welder.

Therone will be deeply missed. He was an awesome example of what it's like to be persistent in following through to achieve his goals.
