

## Gene Thomas Ames

March 16, 1960 - September 3, 2020

### Obituary

When God Permits Trials, He Also Provides Comfort.

Gene Thomas Ames was the youngest child and son of the late Willie “Bill” Ames and Mary “Sis” Ames. He was born on March 16, 1960 in Salisbury, Maryland. He suddenly departed this life on Thursday, September 3, 2020.

Gene received his education in the public schools of Somerset County, Maryland. He worked with his father as a mechanic. He loved fixing anything and everything. He especially loved working on cars and bicycles.

Gene, known to his friends as “One Step”, loved his family. He was one of the favorite Uncles of his nephews and nieces. If you had him as a friend, you can rest assured he was someone who had your back. When you met Gene, you could never forget who “One Step” was and his home was your home. He would help anyone who asked him and would not complain. He loved riding his bike through the town of Princess Anne and was well known throughout the town.

Precious memories of Gene remain with: his son, Thomas Ames of Princess Anne, Maryland; three sisters, Alverta Ames of Shrewsbury, Pennsylvania and Evelyn and Mary Ames, both of Salisbury, Maryland; sisters-in-law, Shirley T. White of Pocomoke, MD, Beverly Ames of Baltimore, MD, Barbara Davis of

Pocomoke, MD and Julane Davis of Baltimore, MD. Gene was very close to his nephews, Elwood Hemmeain, Jr. Stanley J. White, Jr. and Dante' Hemmeain, Sr., Ceylon and Brandon Trader and niece, Marica Baxter-Parker. He also had strong relationships with his other nieces and nephews. Additional memories will be cherished by great nieces, great nephews and a host of cousins and dear friends. He will also be dearly missed by his Greenwood family. He had a long time friend, Cheryl White.

Gene was preceded in death by his mother, father, and four brothers, Stanley White, William Davis, Albert Ames, and Bobby Davis.

LOVINGLY SUBMITTED ~ THE FAMILY
