“ I was shocked to learn of your passing. I hadn't seen much of you in these later years but will always remember your smile. As you walk along the River of Time, visiting with those who have gone before you, please know that you are sadly missed and will be loved for always. Please rest in the knowledge of the Resurrection and the joy it will bring on that beautiful day when you and those you are walking and visiting with now are brought back to us. I do believe in the Ransom and the provision of it; one of which is the Resurrection. Know that this is not the way Jehovah meant for this world to turn out. That is why he had his son come to earth and die for us. May your family receive the Peace and Blessings of this knowledge; may they and all of us who were blessed to call you friend come to know that He Will Call, The Dead Will Answer because He Will Have A Longing For The Work Of His Own Hands. Are we each not the work of His own hands? FSC
