

Thomas Richard Hitchens

December 6, 1972 - June 6, 2016

Thomas R. Hitchens, Jr., better known as “Tom Bum”, was born on December 6, 1972 in Seaford Delaware. Thomas grew up with his mother, Martha Davidson, and his four brothers and sisters. He attended school in various places and worked for Messick and Gray in Bridgeville, Delaware.

“Tom Bum” had a son named Kaleb Hitchens (Pooh Bear), who was his best buddy. He cared about his son and his family and would do anything for you. Like most people, “Tom Bum”: was not perfect but was working on his life. He started a group in Salisbury known as Go Getters. He was so happy with his life. “Tom Bum” went to church and was rebuilding his life. The wild Tom we knew was like a flower and bloomed so pretty.

On June 6, 2016 an accident happened and “Tom Bum” was taken from us and nobody knows why, but GOD. We just know that he is heaven with his mom, dad, step dad and brother looking down on us.

Thomas R Hitchens, Jr. leaves his love with two sisters, Cheryl Gravenor and Judy Carmean; one brother, Charles Littion, several nieces, nephews, great nieces and great nephews; 2 brothers-in-law and one sister- in-law. He is gone but never but forgotten. He is in heaven shining light on us now and in peace with family. We will meet you at the gates when it’s our turn. Love you to the moon and stars and back!
