

Tiffer A Miller

September 4, 1965 - March 4, 2021

OBITUARY

Tiffer A. Miller was born, the son of Martin and Mary Etta Miller, on September 4, 1965 in Atlantic, Virginia. Following a lengthy illness, Tiffer completed his life's journey on March 4, 2021 while being surrounded by an abundance of love from his family and friends.

Tiffer was a 1983 graduate of Arcadia High School in Oak Hall, Virginia. Following graduation, he later moved to California and often spoke of how he experienced life to the fullest. While residing there, he worked various jobs but one of his proudest accomplishments was being able to work as a youth counselor. He later returned to the Eastern Shore where he was employed with Nasa Wallops Island as a security officer for two years and Perdue Farms as a wastewater operator until his health began to fail.

Tiffer was a quiet and loving man who looked at life as an adventure and lived every minute to the fullest. He was always willing to try something at least once. He loved his family and friends, being out on the water fishing, watching westerns, the cooking shows, and the new England Patriots. His utmost love was for his wife and children. But nothing compared to the love he had for his grandchildren and it was quite evident by the looks on their faces when he

spent time with them.

Tiffer leaves behind those who cherished him most: his parents, Martin and Mary Etta Miller; his loving wife, Linda Thornton; sons, Tiffer Miller (Shontaye), Tadrain Miller and Brandon Parker; daughters, Tiara Miller and Valerie Brizak (Michael); his brothers, Alford Marshall (Sarah), Cassius Nock and Maurice Press; a sister, Vanessa Marshall; best friends, Alvin Ridley, Al B, and John Taylor; seventeen (17) precious grandchildren, and a host of nieces, nephews, cousins and many special friends.

Those to cherish who preceded him in death include his grandmother, Mable Drummond, a brother, Elroy Brown, aunts, Gloria Handy and Shirley Drummond (Alonzo) and uncles, David Miller, Donald Miller and John C. Miller.
